Dear Readers,

A thought that has been enduring in mind when it becomes real; is truly an interesting and exciting experience. DMI CSE SPRING mirrors the success story of an institution and act as a great medium to reach out to the outer world. It reflects upon the persistent and committed efforts made by faculty and students for taking the institution one step ahead. It would be a snapshot of the various activities and advancements for all associated with DMICE-CSE. **-Editors**

Vision of the Department

To produce competent young computer engineers and entrepreneurs with ethical values, for making nation bloom into a hub of excellence.

Mission of the Department

- To create updated technocrats in the ever growing industry and university by cultivating computer concepts and techniques
- To facilitate the students to elicit more creativity by using modern sciences and technologies in the field of computer science and engineering.
- To inculcate the strength of ethical standards contributing to the benefit of the society.

EVENTS

21st June, 2017

We arranged a **Faculty Development Program on Programming and Data Structures**. Around 30 faculties took part in it. The resource person was **Dr. S. Muthu Rajkumar**, Assistant Professor, Department of Computer Technology, MIT. He gave a detailed explanation on OOPS and data structures concepts.

STAFF PARTICIPATION

- **Mr. Infant Cyril/AP, Mr. Balaji/AP, Mr. Jimson/AP and Mr.Lokesh**, system administrator, from our department attended Faculty Development Program on “**Data science and big data analysis**” in Sri Sairam Institute of Technology from 19-06-17 to 23-06-17

28th June, 2017

We arranged a Seminar on **Workplace of the Future**. The Seminar was handled by **Mr.Anbu Selvan**, Alumni ,CEO Cyber dudes. The session was about to develop their own Project for IV years students in recent technologies like Internet of Things and cloud computing.

4th July, 2017: Department Assembly

We conducted our First Department Assembly where **Dr.A.Umamageswari**, Head of the department gave a brief explanation about the academic plan of the department for this year. Students who had a 100% attendance in the previous semester were awarded with the certificates.

5th July, 2017: Industrial Visit

We organized an Industrial Visit to **KaaShiv Info Tech** for second year students and they got ideas about cloud computing.

6th July, 2017: Industrial Visit

We organized an Industrial Visit to **Sansbound Solution Private Ltd** for third year students where they were given a practical session on networking.

14th July 2017: MoU

We signed MoU with **AMAZON-AWS EDUCATE** for academic services.

18th & 19th July 2017

We arranged Hands on program on **Image Processing** using MATLAB. This Session was handled by **Dr.Varalakshmi, MIT** and **Dr.Rathina, Sathyabama University**. The session was about to develop their own Project for IV years students.

24th July 2017: MoU

We signed MoU with **TCS-iON** for training programmes.

STAFF PARTICIPATION:

Mr. Kingsly, AP/CSE and **Mr. Lokesk**, System Administrator attended “**CCNA – Instructor Training Course**” which was conducted by CISCO and was organized by Amrita University, Coimbatore from 3rd July 2017 to 14th July 2017.

12th August 2017

We arranged Hands on program on **OpenGL** for third year students. This Session was handled by **Dr.Nagappan**, Asso.Professor, Saveetha College of Engineering.

17th August, 2017: Workshop

We organised a **workshop on Hardware and Networking** for third year students by **Mr. Prakash**. The students were given a theoretical and practical exposure on the parts of CPU and how to assemble a CPU. Finally students were well trained to the extent that they can assemble a CPU on their own without any assistance.

Placement Training for CSE

The final year students of CSE, IT, EEE, ECE attended the placement training conducted by **Face now** from 17.08.2017 to 23.08.2017. Nearly 250 students attended the training. The trainers came from industry to train the students. They covered the C, C++, Java and OOPs Concepts. The study materials are distributed to students and students utilized the training program in effective manner.
