Dear Reader,

A thought that has been enduring in mind becomes real it makes truly an interesting and exciting experience. This spring was one such cherished work that had its roots in the persuasion. DMI SPRING will serve to reinforce and allow increased awareness, improved interaction and integration among all of us. It would be a snapshot of the various activities and advancements for all associated with DMICE.

EVENTS

4th October 2017: Industrial Visit

The Department of Management studies organized an Industrial Visit to **Ashok Leyland Plant [Ennore]** for the Final year MBA students. The first visit was to the shop floor IV, where they witnessed the assembling of front and rear axles of the trucks. Following that, they visited the production unit, where cam shafts and cylinder blocks are made. The students spent some more time in the production unit listening to the technicians, **Mr.Saravanan** and **Mr.Bharath**, who explained the entire manufacturing process involved.

5th October 2017: Industrial Visit

The Department of Management studies organized an Industrial Visit to Ashok Leyland Plant [Ennore] for the First year MBA students

9th October 2017: Department Assembly

The Department of Computer Science and Engineering released the Souvenir for the technical symposium “**Xensus 2k17**” by Mr.Melvin, President of the symposium and was received by Dr.A.Umamageswari, Head of the Department along with the faculty members. After that Head of the Department delivered a special speech to the students for thanking the students for conducting the technical symposium in a well-disciplined manner and for making it a grant success.

10th October 2017: Seminar

The Department of Computer Science and Engineering conducted a seminar on **Higher Education** for

Final year students taken by **Ms.Lakshmi Rai**, Director, Education matters. Students got a clear idea on higher education where they were explained about the basic education qualification, exams that they need to prepare and appear, cost of education etc. More students were motivated to go ahead in their next level by choosing higher level education.

12th October 2017: Seminar

The Department of Electrical and Electronics Engineering arranged a Seminar on '**Higher Education in Other countries**' for the III year and IV year students. The resource persons were **Mr.S.Pratip and Mr.N.S.Prasad**, Senior Business development Executives of EM Education Matters, Chennai. They guided the students about choosing the higher education in foreign countries.

12th October, 2017: Seminar

The Department of Electrical and Electronics Engineering arranged a technical seminar on **Higher Education** in other countries for the third year and final year students. **Mr.S.Pratip and Mr.N.S.Prasad**, Senior Business development Executives of EM Education Matters, Chennai guided the students about choosing the higher education in foreign countries.

13th October 2017: Workshop

The Department of Management Studies conducted a Workshop for PG Scholars on the topic “**Wealth Management & Financial Planning**” by **Shri.Arokhiaraj**, Advocate & Capital Market Expert & Researcher, **Mr.Ilamurugu**, Regional Manager, Sky Commodities India Private Limited, Chennai Branch.

20th October, 2017: Value added Course

The Department of Electrical and Electronics Engineering organized a Value added course on **Automation and Robotics** for third and final year students. The trainers were from **CDCE School of Automation And Robotics** and taught them about the course on Automation and Robotics through **MSME TECHNOLOGY DEVELOPMENT CENTRE**.

26th October, 2017: Alumnus Meet

The Department of Management Studies arranged an **Alumnus Meet 2017**. **Mr. R. Manikandan**, Manager, Kumar Hardwares, Chennai interacted with the first year MBA students. He shared his experiences and barriers to run a business. **Mr. R. Balaji**, Assistant Store Manager, working at Box-8 Food Industry, Bangalore shared on Industry Expectations from the MBA professionals.

28th October, 2017: Department Day

Abdul Kalam says “Education is not merely a learning process, but it is necessarily a process of transforming humans into better and efficient individuals.”

The Department of Science And Humanities celebrated **S&H Department Day** in Hirokitho Auditorium. The Department conducted various activities to provide a platform for the students to

arrange and participate in activities to bring out their hidden talents. Many events like Oratorical Competition, Debate, Mimicry and Power Point Presentation were conducted for the students which helped them to develop their overall personality.

The S&H Department Day celebration instilled students mind with a competitive spirit and self-confidence and the Department has planned to conduct many more programs in future to expound and disclose their knack.
