Dear Reader,

It is a matter of pride as well as pleasure to present next issue of College Newsletter. A thought that has been enduring in mind when it becomes real; is truly an interesting and exciting experience. DMI Spring mirrors the success story of an institution and act as a great medium to reach out to the outer world.

EVENTS

WORKSHOP

- The Department of Civil Engineering organized a one day Hands - on Training in **PRIMAVERA** for Final year students on 29th January, 2018 given by **VINSCE** (A division of Vamos Tech solutions). It was useful for the students to learn easily for their future job.

- The Department of Civil Engineering organized a one day Workshop on **Advanced Surveying and Total Station** for Second year students on 31st January, 2018 by Ladder surveying and Instruments, Chennai.

- The Department of Computer Science and Engineering organised a three day Workshop on **IOT in Cloud Computing** for Second and Third year students from 4th January to 6th January, 2018 by **Mr.Zenith**, Trainer, Adosat .

- The Department of Computer Science and Engineering conducted a one day Workshop on **Artificial Intelligence** for Third year students on 10th January 2018. An excellent introduction was given for artificial intelligence. The topics covered were neural networks, supervised and unsupervised learning. The students had started to show more interest in artificial intelligence.
- The Department of Electrical and Electronics Engineering organized two days **National Level Workshop cum Championship on Internet of Things using Raspberry Pi** on 29th and 30th January 2018. More than 50 students participated in the workshop and gained the knowledge & hands-on training using IoT under the name **Robo Feast 2018** in association with EDC, IIT.

- The Department of Electronics and Communication Engineering organized a Workshop and Hands on Training on **Electronic Circuits** for Second year students on 6th January, 2018. **Mr. Raja Manikam**, Entrepreneur handled the session.

- The Department of Information Technology arranged 2 days Hands-on Workshop on **Networking** for Third year students on 4th and 5th January, 2018. This session was conducted by **Mr. Prakash**, Entrepreneur consultant. The students gained knowledge on IP Addressing , Subnetting and Routing Protocols. The session was about how to build a small network.

- The Department of Mechanical Engineering organized a one day Workshop on **Advancement in Automotive Safety** in association with i3 Design Technologies on 18th January 2018.
- The Department of Master of Business Administration organized a Workshop with the association of **SEBI** for the MBA students on **Financial Planning and Effective Financial Management** on 24th January 2018. **Dr. R. Balaji**, Professor, Saveetha Engineering College enlightened the students with key learning objectives like need for Financial Planning, various investment avenues in the Indian Financial Market, precautions to be taken before making investment, investment strategies to achieve your Financial goals and how to begin Investing.

- The Department of Master of Business Administration arranged a Workshop on **Export and Import Documentation Procedure** for Second year students on 25th January, 2018. The Alumnus of 2017 batch **Mr. Spielberg**, IT Recruiter, AMPSTEK Pvt. Ltd., Chennai and **Mr. Shaji**, Export and Import Documentation, Saudi interacted with the students.

SEMINAR

- The Department of Computer Science and Engineering arranged a one day Seminar on **Carrier Guidance** for Third year students by **Nutpam Software Training Academy** on 11th January, 2018. The students encouraged and motivated to go ahead in their professional career by preparing themselves and by developing various projects.
- The Department of Computer Science and Engineering conducted a Guest Lecture on **Media Access and Networking** for Second year students on 19th January 2018. The Resource person was **Dr. S. Ganapathi**, Associate Professor, VIT, Chennai. The students got detailed explanation about Ethernet and various wireless technologies.

- The Department of Mechanical Engineering organized a Seminar on **CADD** for Third year students on 19th January, 2018.

- The Department of Electrical and Electronics Engineering arranged a Technical Seminar on **Soft Skills Required in Industry** for Third year students in forenoon session of 23rd January, 2018 which was given by **Mr. Dolphin Sundar**, Amithi Foundation, Chennai.

- The Department of Electrical and Electronics Engineering organized a Seminar for the Final year students on **Workplace Ethics** given by **Mr. Dolphin Sundar**, Manager, Amithi Foundation, Chennai in afternoon session of 23rd January, 2018. The students participated and gained knowledge on ethical values in workplace and its surrounding.

- The Department of Science and Humanities organized a Motivational Seminar on **Jaithu Kaaatuvom** on 27th January, 2018 for First year students. **Mr. Minnal Priyan**, a versifier and a journalist was invited as a Chief Guest to galvanize the program. He gave a motivational speech to students on **how to be successful in life**. He insisted students that Success is everyone's mission, Life is full of challenges and opportunities, but only for those who actually struggle to grab the opportunities and overcome the challenges. He gave nearly 15 mantras to be followed in the life of journey to achieve success. He narrated many incidents in the journey of life with a humorous touch. The afternoon session was engaged to conduct competitions to exhibit students their talents. Competitions like Oratorical, Essay Writing, Drawing and Singing were conducted. Students enthusiastically participated in it and proved their inventiveness.

INDUSTRIAL VISIT

- The Department of Civil Engineering arranged a Visit to **SRW India Water expo**, Chennai trade centre, Nandambakkam for III year students on 6th January 2018. It was found to be useful for students in understanding the equipments used in filtration process of water in a large scale.

- The Department of Electrical and Electronics Engineering organized an Industrial Visit to **400/230kV Sub-station**, Sriperumbudur for Second year students. The students learnt from the Engineers on the operational structure of TNEB substation.

- The Department of Electronics and Communication Engineering organized an Industrial Visit to **HATSUN AGRO PRODUCTS** on 18th& 19th January, 2018 for Second and Third year students. The visit was about the automation in the development of the products.

GUEST LECTURE

- The Department of Electrical and Electronics Engineering arranged a Guest Lecture for the Third and Final year students on **Workplace Etiquettes and Communicative English**. The Chief Guest was **Ms.Kiruba**, Anudip Foundation, Chennai. The students participated and gained knowledge of ethical values in workplace and its surrounding.

- The Department of Electrical and Electronics Engineering arranged a Guest Lecture on **Today's Challenges and Tomorrow's Opportunities in Industry** for Second and Third year students on 31st January, 2018. The Chief Guest was **Ms.Nathira**, Marketing Executive, iMerit Technology Services, Chennai. Nearly 90 students participated in this lecture.

- The Department of Information Technology arranged a Guest Lecture for II year students on **Design and Analysis of Algorithms** handled by **Ms.DhaliaSweetin**, Assistant Professor/CSE, Anna University Chennai on 4th January 2018. The guest lecture was based on the topic, “Mathematical Analysis of Recursive and Non-recursive Algorithms”. The students gained knowledge on how to find out the step count and cost estimation in recursive and non-recursive algorithms.

- The Department of Information Technology arranged a Guest Lecture on **Content Writing** for Third year students on 6th January, 2018. The session was conducted by **Ms.Princy**, content writer in WIPRO. The students gained knowledge on content writing and even other field in Information Technology.

- The Department of Information Technology conducted the Guest Lecture on **BIG DATA** for III year students by **Mrs. Sharon Sophia Stephen**, senior member of Technical Staff and part of ORACLE NOSQL DATABASE product development and education of ORACLE Corporation on 19th January 2018.

CELEBRATIONS

- The Department of Civil Engineering celebrated the **National Voter's day** to encourage more young voters to take part in the political process on 25th January 2018. The technical and non-technical events were conducted like as voting, code brain teaser (code book), technical quiz and Civil IQ test.

- The Department of Electrical and Electronics Engineering celebrated **National Youth day Celebration** on 6th January 2018 on behalf of the birthday of Swami Vivekananda. The function was presided over by the Chief Guest **Mr.P.Swaminathan**, Asst. General Manager in Power grid Corporation of India Ltd and **Dr.Belsam Jeba Ananth**, VP, DMICE. The various technical events like Project presentation, Paper presentation and Visual Presentation were conducted and students eagerly participated in it.

- The Department of Electrical and Electronics Engineering celebrated Tamil Festival **Pongal** on 10th January, 2018. Events like Kolam competition, Poetry, Elocution, Singing, Pot painting and Debate talk (Patrimatram) were conducted. The students enjoyed the day by participating in all events.

PLACEMENT

1. PATH FRONT

DMI College of Engineering conducted the placement drive by PATH FRONT on 10.01.2018 in which 120 eligible students from ECE, EEE, CSE, IT and MBA attended. The HR gave presentation and explained job profile to participants. They conducted the online test, GD and HR rounds and then results were declared with salary package of 2.4 Lakhs per annum.

2. DATA LOGIC

DMI College of Engineering conducted the placement drive for ECE, EEE, CSE, IT and MBA students on 22.01.2017. Nearly 137 eligible students attended the interview. They conducted written Test, GD & HR rounds and results were declared with salary package of 2.2 Lakhs per annum.

3. FULL CREATIVE

DMI College of Engineering conducted the placement drive by FULL CREATIVE for ECE, EEE, CSE, IT students on 22.01.2017. Among 67 eligible students, 8 students are waiting for final round with salary package of 3.2 Lakhs per annum.

4. VECTOR WORKS

DMI College of Engineering conducted the placement drive for civil students by VECTOR WORKS on 22.01.2018. Nearly 63 eligible students attended the interview. The HR gave presentation and explained job profile to participants. They conducted written Test, GD & HR rounds and results were declared with salary package of 1.8 Lakhs per annum.

5. SUTHERLAND GLOBAL SERVICES

DMI College of Engineering conducted the placement drive by SUTHERLAND GLOBAL SERVICES for Mech, Civil, CSE, IT, MBA, EEE and ECE students on 23.01.2018. Nearly 320 eligible students attended the interview. They conducted the GD and HR rounds and then results were declared. 18 students selected with salary package of 2.4 Lakhs per annum.

6. SVS INFOTECH

DMI College of Engineering conducted the placement drive for the eligible students of Mech, Civil, CSE, IT, MBA, EEE and ECE by SVS INFOTECH on 24.01.2018. The HR gave presentation and explained job profile to participants. They conducted the GD and HR rounds and then results were declared. 10 students selected with salary package of RS.15000 per month.

7. CONVENANT TECHNOLOGIES

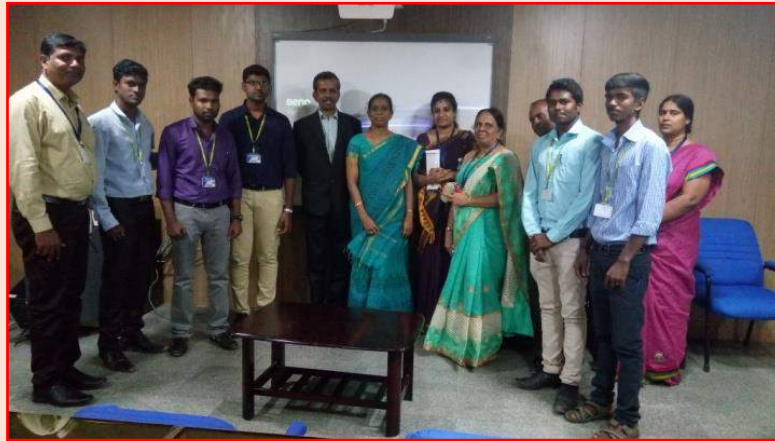

DMI College of Engineering conducted the placement drive by CONVENANT TECHNOLOGIES for MBA students on 24.01.2018. Nearly 43 eligible students attended the interview. They conducted the HR rounds and then results were declared with salary package of RS.15000 per month.

8. MELDON INDUSTRIES PVT LTD

DMI College of Engineering conducted the placement drive for Mechanical students by MELDON INDUSTRIES PVT LTD on 25.01.2018. Nearly 72 eligible students attended the interview. The HR gave presentation and explained job profile to participants. They conducted the GD and HR rounds and then results were declared with salary package of RS.12000 per month.

HOME THEY BROUGHT LAURELS:

- **Mr.Shiju**, a final year student of CSE attended a one day seminar on **Smart India Hackathon 2018** in Sri Sairam Engineering College conducted by AICTE on 5th January, 2018. The seminar was an awareness programme about the latest technologies in recent days, which was very informative.
- **Mr.SamJoshuva**, and **Mr.SaiEaswara** third year students of CSE attended an **Education Awareness Program** in ITC Grand Chola, Chennai organized by Indian Express on 18th January, 2018. It was conducted to create awareness and importance of child education in our Indian Society and also to bring awareness on child labour.
- **Mr.Sam Daniel**, **Mr.Jagadeesh**, **Mr.Shyam Austin**, **Mr.Paul Jayakkar**, and **Mr.Narayanan**, I Year MBA students attended a workshop on **GST (Goods and services Taxes)** in Saveetha College of Engineering on 30th January, 2018.

STAFF PARTICIPATION

- **Mr. Infant Cyril**, AP/ CSE attended a two day Faculty Development Programme on **Big Data and Analytics** on 22nd & 23rd January, 2018. An introductory part of a Big Data Analysis was given along with a practical experience in R programming.
- **Ms.Ruby**, AP/CSE and **Ms.Jebasheela**, AP/CSE attended a 10 day **Network Training** program in Amrita University, Coimbatore. It was conducted by CISCO. They gained very good real time knowledge about networking.
