## ABOUT DMICE

DMI College of Engineering is a Christian minority institution of higher technical education, approved by All India Council for Technical Education [AICTE], and affiliated to Anna University, Chennai. The college is promoted and managed by the Sisters of the Society of DMI, which was founded in the year 1984 by Rev. Fr. Dr. J. E. Arulraj. The vision of this Institution is to provide a disciplined life with a spiritual base to remain fully human and fully alive. Further it strives to achieve excellence and promising inventions to the students, besides the College commits itself to promote self-disciplined holistic academic excellence among the most marginalized, oppressed and disadvantaged sections of the society so as to mould persons in pursuance of making a better human life through science and technology. Simultaneously this enhances the core strength of the students and enables them to make significant contribution to the development of the society in particular and our nation at large.

## ABOUT ECE DEPARTMENT

The Department of Electronics and Communication Engineering was started at the time of inception of the college in the year 2001. The department has dedicated and well experienced faculty members in all fields of specialization. The department is fully equipped with the state-of-the-art laboratories. We have two PG programme M.E (Communication Systems & Applied electronics)

## ABOUT NCCIE'19
