ABOUT THE COLLEGE

The College, a Christian minority institution founded by Rev.Fr.J.E.ArulRaj is situated in the western part of Chennai at Palanchur 5Kms from Poonamallee on Chennai - Bangalore National Highway in a sprawling campus of 68 acre land.

DMICE offers 6 UG courses and 6 PG courses. Each course adopts a comprehensive and unified approach calling for rigorous study in variety of fields. Thus the student is prepared with a thorough understanding of science and technology related to his/her discipline with its implications.

DEPARTMENT PROFILE

The Department of Computer Science and Engineering was established in 2001. Ever since its establishment it has stood as an epitome of excellence in technical education. Our mission is to educate students from all over India including those from local and rural areas, so that they become enlightened individuals, improving the living standard of their families, industry and society.

The department has a very good infrastructure and faculty to provide excellent education to meet the industry standards. Today the department caters to the needs of 360 Under Graduate students. It houses state of the laboratories and library and it is an authorised Research Centre of Anna University

About ICIS'19

The primary goal of the conference is to promote research and development activities in Information Technology and Computational Intelligence.

The conference focuses on bringing together researchers, academicians, industrialists and practitioners across the nation to explore the technological advances in the aforesaid areas of Computer Science.

CALL FOR PAPER

Authors are invited to submit their original contribution on one of the following areas but not limited to

Computer Vision and Pattern Recognition
Document Analysis
Information Retrieval
Biometrics
Cryptography
Image and Multimedia Processing
Intelligence Databases
Soft Computing
Software Engineering
Cloud Computing

ADDED VALUES

The selected and shortlisted papers will be published in any one of Scopus Indexed, DOI, Google Scholar of the following journal with author concern.

1. International Journal of Computer Science and Engineering Technology
2. International Journal of Scientific Research & Development.
3. International Journal of Electrical & Computer Engineering.
4. i-Manager Journal on Computer Science.
5. International Journal of Scientific Research in Computer Science, Engineering and Information Technology.

The authors are expected to submit their original research papers, which have not been submitted elsewhere in other Conferences/ Journals. The Papers should not exceed more than six pages and must be in English language. The author should strictly adhere to IEEE format.
