*Guests along with our Administrator on the dais*

*Dr.Senthil honouring Mr.Leela Krishnan*

*Our Administrator Rev. Sr.P. Predeepa honouring Dr. Daniel Chellapa*

*Dr.Sai Ram honouring Dr. Reddy*

The seminar was the much needed one as final year students as it gave ideas to the students regarding various technology and schemes provided by the GOI.

The seminar was begun by Dr. Daniel Chellapa. The session was very interactive and fun. The students came to understand the concept of entrepreneurship in detail and came to know the various schemes provided by the government and the latest technology relevant to the Industry 5.0. It was an inspirational talk that many students develop an interest in entrepreneurship.

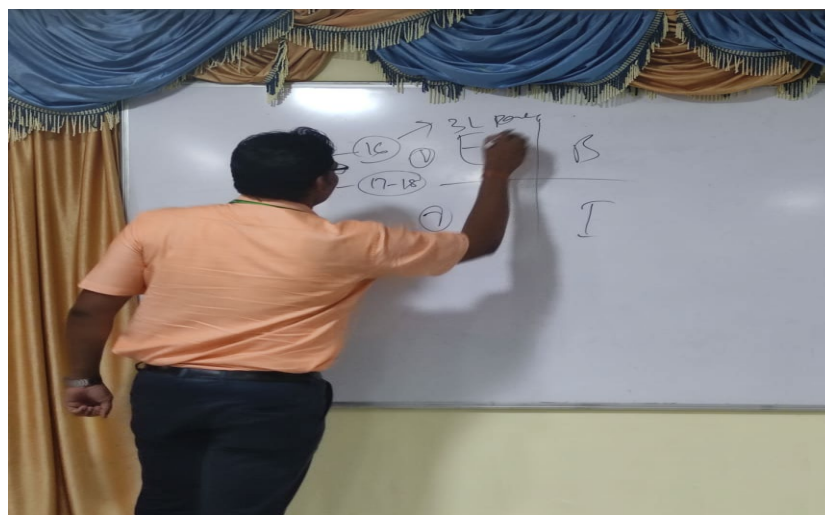

*Dr. Daniel Chellapa speaking during the first session*

The next session was continued by Mr. Leela Krishnan. He spoke about the various MSME schemes and the requirements to become an entrepreneur.

***Mr. Leela Krishnan speaking during the second session***

The session was ended by Dr. Reddy. He spoke about various financial needs and various sources we can get funds in order to start our start-up. He also gave a brief note on the various financial terms used in business world.

***Dr. Reddy taking class during the final session***
