Dear Readers,

Every action and its outcome is a result of serious thought, planning and execution. A thought that has been enduring in mind when it becomes real; is truly an interesting and exciting experience. A newsletter mirrors a college; It's Vision and Mission. Also, It highlights technical and non-technical activities, events, academic progress and achievements. This spring was one such cherished work that had its roots in the persuasion. DMI SPRING will serve to reinforce and allow increased awareness, improved interaction and integration among all of us. It would be a snapshot of the various activities and advancements for all associated with DMICE.

ABOUT THE COLLEGE

Welcome to DMI College of Engineering!

The college, a Christian minority institution founded by Rev. Fr. J.E.Arulraj, situated in the western part of Chennai at Palanchoor 5 kms from Poonamalle on the Chennai-Bangalore National Highway in a sprawling campus of 55 acre land. DMICE is a well established institution committed to impart education cum discipline to the society since 2001. The mission of DMI College of Engineering is to sustain a community of individuals who are dedicated to the achievement of excellence and who share a vision related to Engineering & Management. Each course adopts a comprehensive and unified approach calling for rigorous study in a variety of fields both within the discipline and other related areas. Thus the student is prepared with a through understanding of science and technology related to his/her discipline with its implications.

COLLEGE VISION

To become an internationally reputed institution by producing competent professionals with exemplary skills and ethical values.

COLLEGE MISSION

- To achieve higher level technological and professional excellence.
- To impart quality and holistic professional education.
- To train professionals to be entrepreneurs and employment generators.
