ABOUT THE EVENT

AppXpert Club conducted hackathon on 29.10.24 in the IT department classroom.

The main objective is to bring new ideas that will be helpful for the future generation.

Students identified various problem statements in the fields of app development both the web app and mobile app were developed

problem statements along with one open innovation domain were kept open for students.

Program started with the prayer

Then each team was given 6 hrs to implement it. The completed project was presented to juries.

The juries are from various departments

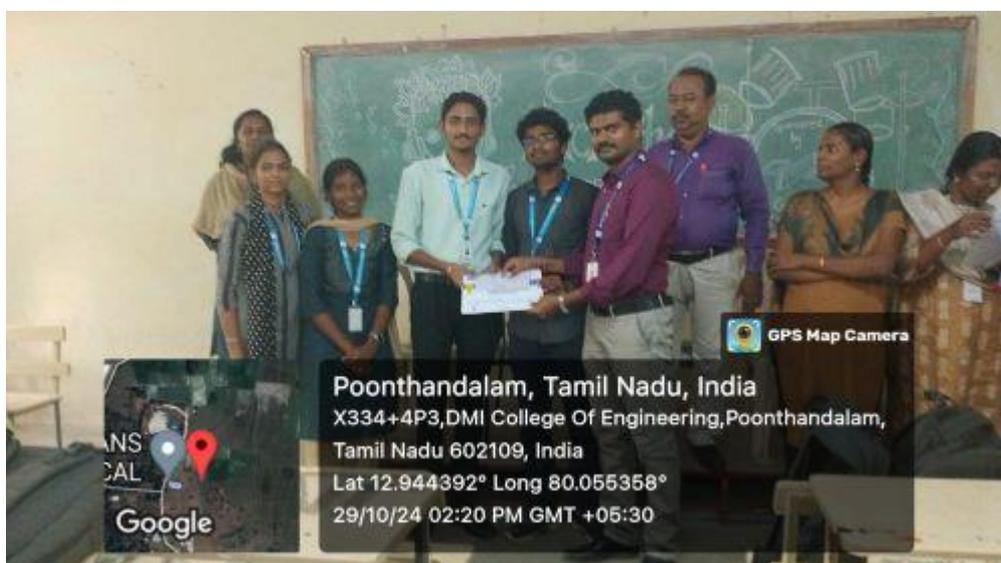

1.Mrs.Hridya Venugopal from Computer science and engineering department.

2.Mrs. Mary Diana from Information Technology department.

3.Dr.Jimson from Artificial Intelligences and data science department.

The whole process was seamless and memorable day came to an end with great joy and pleasure. This was an amazing and enjoyable event which keep the students more active, encouraged and confident.
