Dear Readers,

The memories of the past keep up our confidence and the hope of the future is what we live for, but the present is the one that keeps our essence alive. This is what the DMI CSE SPRING believes in-living in the present with a penchant for calibre in every realm of activity with confidence and vision of the future. We are extremely glad to bring forth DMI CSE SPRING. This magazine is reflecting our college quality in terms of all round excellence.

-Editors

Vision of the Department

To produce competent young computer engineers and entrepreneurs with ethical values, for making nation bloom into a hub of excellence.

Mission of the Department

- To create updated technocrats in the ever growing industry and university by cultivating computer concepts and techniques
- To facilitate the students to elicit more creativity by using modern sciences and technologies in the field of computer science and engineering.
- To inculcate the strength of ethical standards contributing to the benefit of the society.
